

# Join the conversation

## Insio IX

No matter the situation, the precisely engineered Insio IX is the most discreet way to keep up with conversations, so you are never left behind. Custom-fitted to your ears, Insio IX is uniquely able to zoom in on the person you're speaking to. By amplifying the sounds you need to hear and keeping background noise to a minimum, Insio IX keeps you in the picture.

## About Signia

Signia is one of the leading hearing aid brands in the world. Our goal is to enhance human performance through iconic innovations that shape the prescription audio category. We refuse to accept hearing loss as a limitation. It's not about correcting a loss, it's about gaining an edge. Not just performing, performing brilliantly. Not just hearing again, but hearing better than ever. Hearing every word, beat, and breath. With Signia, you can Be Brilliant.

The information in this document contains general descriptions of the technical options available, which do not always have to be present in individual cases and are subject to change without prior notice.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by WSAUD A/S is under license. Other trademarks and trade names are those of their respective owners.

## Small size, big impact on your hearing

Our most discreet custom hearing aid is now re-engineered to masterfully reduce background noise and keep you in the conversation. Embrace an almost invisible hearing aid, tailored just for you.

With Insio IX, every conversation shines, thanks to its ability to zoom in on the person you're speaking to and cut out background noise.

## 5 Reasons to choose Insio IX

- **Optimised sound quality:** Powered by our latest hearing technology.
- **Compact & discreet:** Choose from CIC and IIC models.
- **Enhanced focus:** Prioritises important sounds, reducing background noise.
- **Comfort redefined:** Designed for a snug, comfortable fit.
